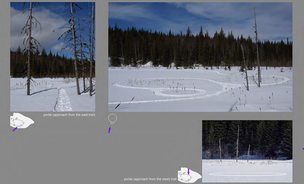
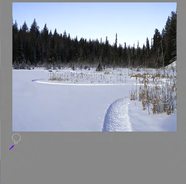
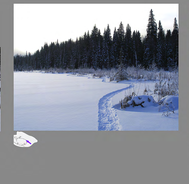
For more information, please case #1 C-1-(1-FIELI), TRAIN SITION, etc.

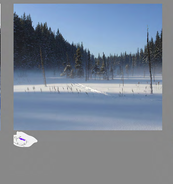
portal (approach from the east trail)

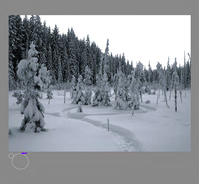
portal (approach from the west trail)

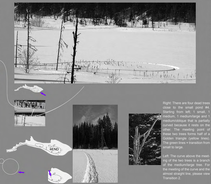


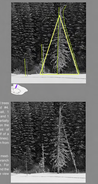












Right: There are four trees (two on each side) in the foreground of the image. A characteristic of I-1 (Field) is the presence of trees. The meaning, since I-1 (Field) is a transition from the urban to the rural, is that the trees represent the transition.

Left: The curve above the horizon line is a characteristic of I-2 (Landscape). The meaning of the curve is the presence of the horizon (horizontal).
